Cut here and return the top portion to the High School office for your registration.

Give this section to your float driver. It is important that they have this information. Do not return it with your registration!

Parade line-up is under the Veteran's Memorial Bridge begins at 9:30 am. Parade begins at 10:00 am sharp. At the front of the parade are the Homecoming Court and the Varsity Football team, followed by the Pep Band, Varsity Cheerleaders, and then the J.V./Jr. High teams. Following that, there is no longer a specific order to the line. The first float there is the first one behind the J.V. and Jr. High Football trailer. All others fall in line as you arrive. To avoid any potential "traffic jams," PLACE YOUR FLOAT WITHIN THE LANE AND FACING THE DIRECTION OF THE ARROWS! This lane will wind through the area. **Upon conclusion of your run, your float (*with the exception of Band, Varsity Football, Varsity Cheerleader, and J.V./Junior High Football floats*) will be directed through the High School Student Parking lot and past the main doors as far as possible before parking. Do NOT stop your float early as it backs up the parade and blocks the entrance to the district grounds.**

Some incidentals:

- 1. NO ONE is to disembark from their float prior to the float being parked!!!!**
- 2. No Walkers – everyone must ride floats**
- 3. Drivers must realize the importance of their job; drive slow and steady to keep float participants safe.**
- 4. Any alluding to sex, drugs or alcohol will not be permitted.**

Proper behavior is expected of all participants. Be respectful, courteous and enthusiastic!
